has successfully completed the online Professional Certificate

Google Digital Marketing & E-commerce

Those who earn the Google Digital Marketing & E-commerce Professional Certificate have completed eight-courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare them for entry-level roles in the field. They are competent in foundational skills in digital marketing and e-commerce.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
